ABOUT 360° VIRTUAL TOURS

Your 360° Virtual School Tour is a long term asset, designed to grow with your school. We understand that every school has its own unique requirements and its own story to tell. Our talented team will help showcase your school and tell your story through the use of customisable virtual tours.

Virtual tours are an easy and unique way to showcase your school to a wider community.

**AUSTRALIA'S FIRST AND
LARGEST VIRTUAL 360°
SCHOOL TOUR PROVIDER**

360° VIRTUAL SCHOOL

Our 360° Virtual School Tours, Fly Throughs and Promotional Videos are helping open the doors of many schools for School Tours and Orientation Days in the current climate.

Your 360° Virtual School Tour will incorporate your school colours, logo, values and showcase your school to any prospective families in a comprehensive, high quality informative presentation.

Greet viewers with a personal video message from your Principal to share your school's history, aspirations and current and future programs.

AERIAL PHOTOGRAPHY/ VIDEOGRAPHY

Our experienced drone pilots can produce incredible aerial photography or video of your school.

These can be included as part of a 360° Virtual School Tour or 360° Fly Through or as a separate service.

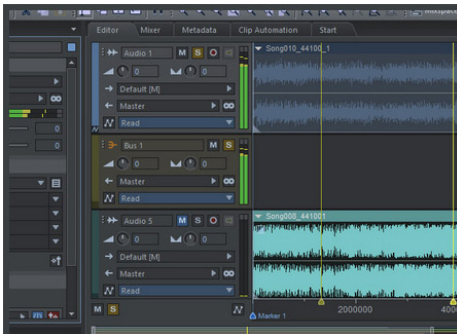

FEATURES

CUSTOM SITE MAPS

We can provide you with a map of your school that you can use in promotional materials, as an interactive map on your 360 virtual school tour, and much more!

The map even includes topographical features to show elevation, not just your typical 2D map!

AUDIO DESIGN

Using voice overs, and music, make your tour stand out and guide your viewers through your facilities.

All audio provided is individually processed and enhanced for maximum clarity.

VIDEO

Our talented team will film your principal's message, or other presentations in order to help prospective students and parents learn more about your school!

All videos are edited and enhanced by our team to maximise the of reach your videos.

CUSTOM ELEMENTS

Use clickable elements such as hot spots with text elements, images, and information to help guide users throughout your tour.

SOCIAL MEDIA

Share your tour, fly through or social media platforms to your audience

IMAGE GALLERY

Share your memories on-line with a custom photo gallery. Showcase images that tell a story

ANALYTICS

Get real time statistics on who is visiting and using your tour! Plot data trends and use it for maximising your marketing strategy!

FEEDBACK

We love to hear from you so let us know what you think!

PROMOTIONAL VIDEOS

Our talented team will film your principal's message, or other presentations in order to help prospective students and parents learn more about your school!

PHOTOGRAPHY, VIDEOGRAPHY AND LIVE-STREAM

Maximise the reach of your events so that loved ones world-wide can stay connected!

TESTIMONIALS

Marketing & Community Liaison
Coordinator
Gabby Russo

"Thanks to the School Photographer for their innovative, quality photos. They are always willing to try new things with fantastic outcomes. Michael really captures the essence of our school, with the right shot and angle."

Principal
Angelo Stasos

"The 360 Virtual Tours and 360 fly throughs that Michael and his team at The School Photographer have produced for our school have dramatically changed the way the school is now looked at by our local community. Michael and his team were highly professional and took time out to advise and give suggestions on how the 360 virtual tours of our school could have the greatest impact. I can't recommend them highly enough and the positive change to our school. I look forward to working with Michael and his team again soon."
